LAKESIDE AT SUNSET

Christine and Mike exchanged vows on the shores of Lake Osceola in Winter Park. The lakeside gardens and patio of the historic Capen House was a gorgeous venue for both ceremony and reception. Communal tables lit by the warm glow of market lights, and styled with gold accents and red roses added romance to the evening. Arthur's presented a festive family style dinner including the popular Checkerboard Salad.

ENCHANTED WOODLANDS WEDDING

Veronica and Tom began their fairy tale evening with an outdoor ceremony under giant oak trees draped in crystal chandeliers and roses. The opulent reception was held in a crystal tent adding moonlight and stars to the magical celebration.

OUR REPUTATION

People are still talking about not just how amazing the food was, especially the flaming donuts, but also how impeccable the service was! From our first e-mail with our Event Designer, to the taste testing until even after the big day Arthur's made sure everything was PERFECT! — **Kayla S.**

Our Event Designer, and her team made sure every detail that was discussed was perfect – from the station set-up, table set-up and the staff. To this day, my guests from the wedding said that the food at our wedding was by far the best they have ever had. — **Morgan K.**

I wish I could give more than 5 stars to Arthur's Catering! They surpassed our expectation in every area. The day of the wedding, I had no stress because I knew that Arthur's staff had everything taken care of. They took such great care of our guests.

They thought of everything. — **Letha W.**

People say they are the best for a reason. Their reputation and high reviews aren't for nothing! The food — out of this world, presentation — amazing, staff— kind, hardworking people!

I have friends that are asking if they have a restaurant because they would love to visit

to have more of the delicious food! — **Alexandrea P.**

Arthur's has a reputation that seems almost impossible for them to live up to but after having them cater our wedding it is obvious the reputation is very well earned and deserved! The food and professionalism is all around outstanding and the amount of compliments we received on the food was INSANE. They 110% delivered! I would hire them again in a heartbeat! — **Lauren B.**

CLASSIC GLAMOUR

Anthony and Adeel's black tie affair featured classic glamour in black, gold and ivory. Guests enjoyed a formal Arthur's plated dinner with four entree options: Center Cut Filet Mignon paired with Jumbo Tuscan Shrimp, Chicken Manchego, Miso Glazed Salmon or Pumpkin Cashew Curry — each presented on a gold charger with full wine service. Casa Feliz was the perfect venue adorned in white lights, tulle and crystal chandeliers — growing more beautiful by candlelight as the celebration stretched into the evening.

HISTORIC FLORIDA OPULENCE

The Howey Mansion — painstakingly renovated in 2017 — reflects the glamour of the 1920's lifestyle of citrus mogul William J. Howey. The 20 room mansion features wrought iron gates, a lengthy horseshoe-shaped drive and a breathtaking curving stone stairway. Arthur's enhanced the old Florida elegance with local flavors, from a luscious Seafood Bar to a plated Citrus Seared Corvina. Individual handcrafted cakes were a sweet surprise at this romantic, *only-in-Florida* wedding of a lifetime.

THE DELICIOUS DETAILS

Bursting with flavor and beautifully presented, Arthur's offers hundreds of delectable options to choose from. We can assist you in planning a sparkling cocktail hour before an elegant sit down affair. Or maybe an exciting combination of Arthur's legendary food stations. Whatever you're imagining, let your taste buds take the lead — we are about to plan the party of a lifetime — tailoring the perfect event just for you. And yes, we can suggest fabulous ideas for table settings, linens and glassware to make your vision complete.
